

# Allied Building Products Corp. Announces New Location in Akron, OH

Release Date: June 28, 2013

EAST RUTHERFORD, NJ. – [Allied Building Products Corp.](#), a division of Oldcastle, Inc. (NYSE: CRH) announces the opening of their new location in Akron, OH on July 1, 2013.

The new Akron facility, located 45 miles from Cleveland and 130 miles from Columbus will solidify the Allied footprint in the greater Ohio metropolitan area.

The team at the new location led by District Manager, George Botoulas will offer better logistics and time saving pick-ups to provide customers with the outstanding service they have come to expect from Allied.

The new facility will stock and service quality products from the following manufacturers GAF, TAMKO, JM, Firestone and SOPREMA.

## **About Allied Building Products**

Allied Building Products Corporation is a wholesale distributor of exterior and interior building materials with about \$2 billion in annual revenues. Allied services 31 states with residential and commercial; roofing, siding, windows, drywall, acoustical, metal framing, EIFS and solar products along with all related accessories. Allied is a division of Oldcastle, Inc., the North American holding company for CRH plc (NYSE: CRH).
